

Dockets Management Branch (HFA-305)

Docket No. 98N-1265

Food and Drug Administration

5600 Fishers Lane

Rockville, MD. 20857

APR 15 P2:03

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: please do not take our right to choose

options outside the mainstream pharmaceutical

companies. The FDA should be protecting

individual consumer and patients rights

instead of restricting them.
